

*In memory of Glenn Sellnow
who was the inspiration for Dr. Chemo Superhero*

Dr. Chemo Superhero Coloring Book

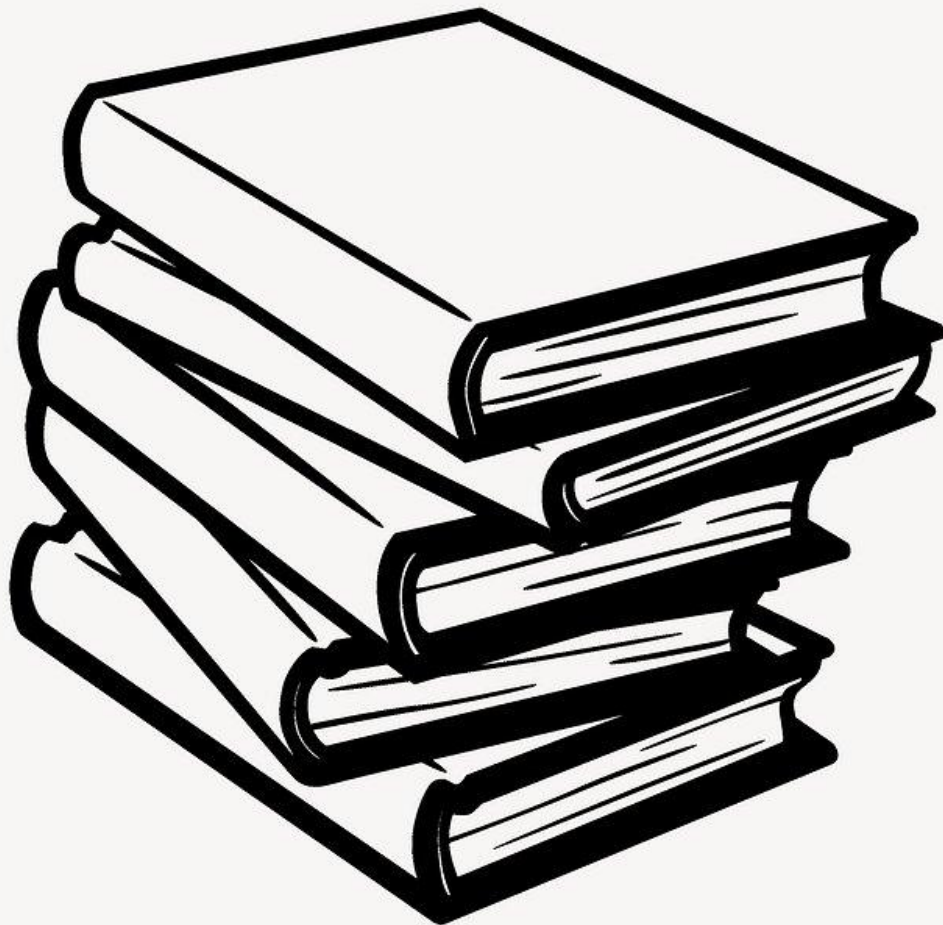

Mild mannered Glenn, one day while he was working on a secret engineering problem, discovered a formula that could create great power.

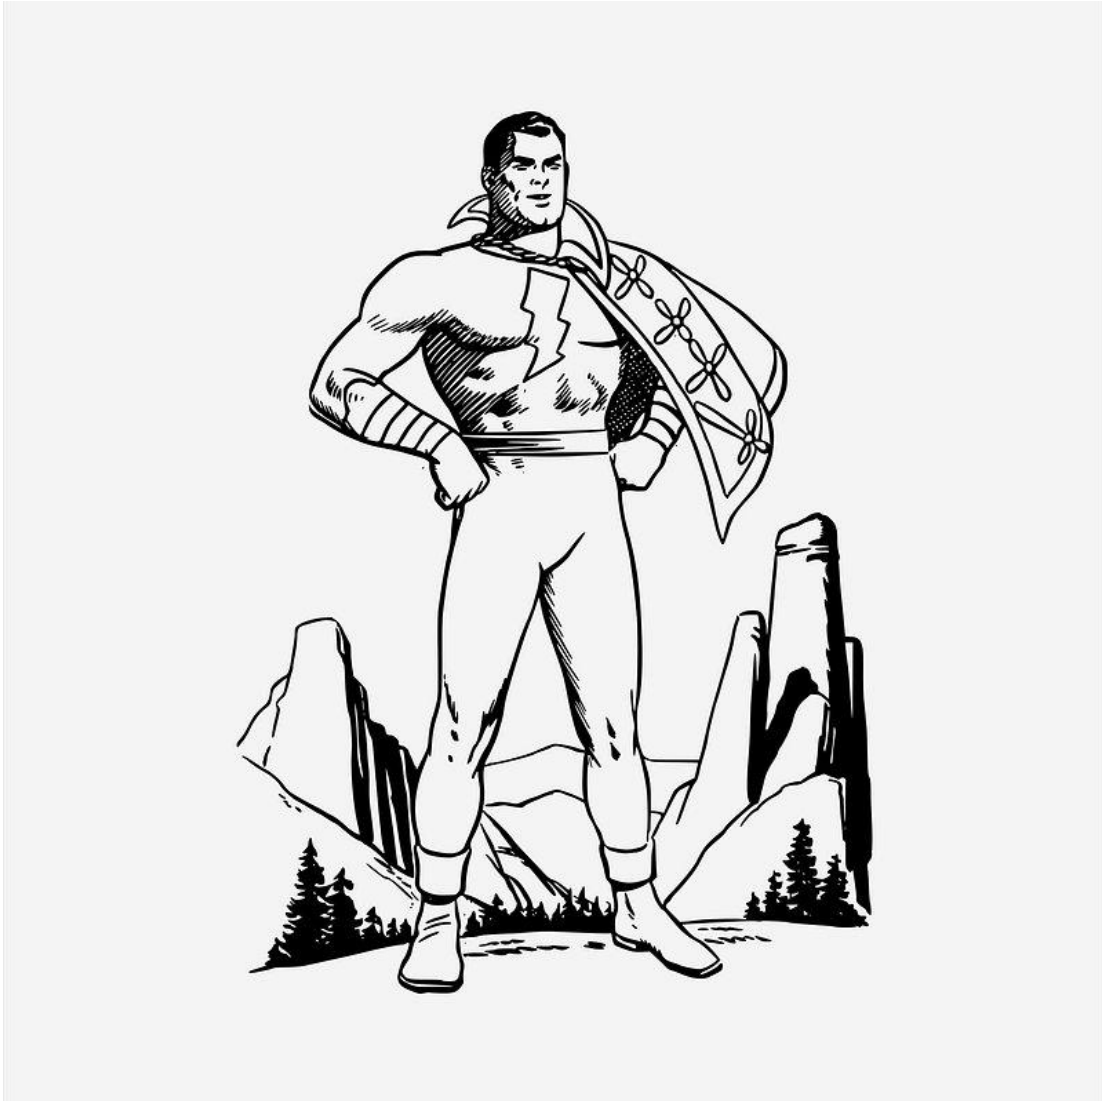

He packed up all of his
belongings, and left his
job to fulfill his duty to
mankind.

Sure enough his discovery was correct,
and he was now transformed with
super powers.

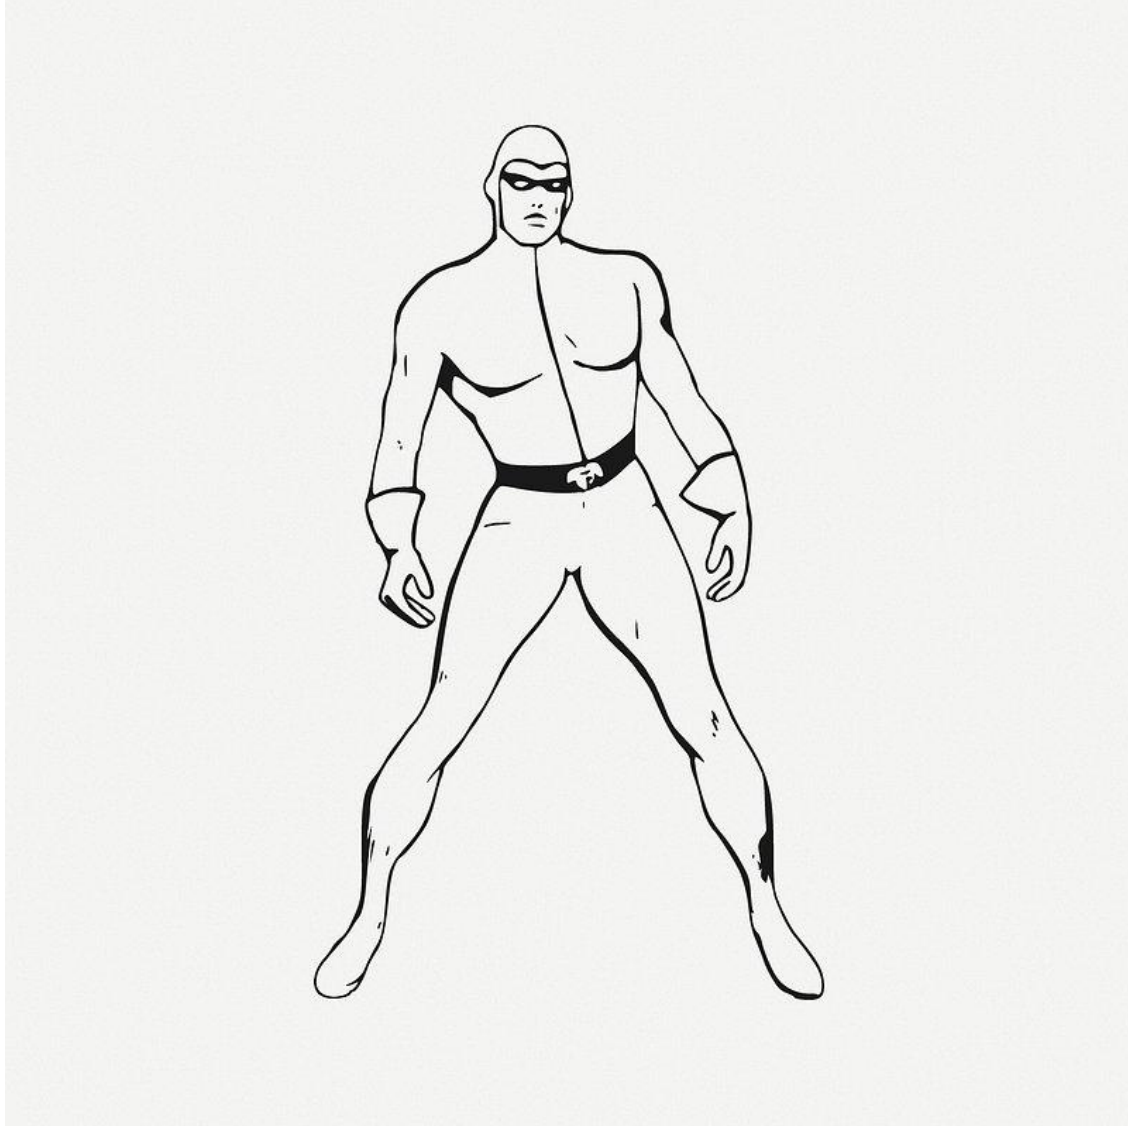

He called himself Dr. Chemo, because he was going to save those who were in need of a transformation in their lives.

With all of his might Dr. Chemo could even cause electricity to come to a stand still.

Oh No, Dr. Chemo, you are not going to change anyone for I will stop you.

Master Villain, I have greater power than you, and I will stop you from causing so many people from becoming weak in their bodies.

Help me, Dr. Chemo

Yes! I will help you. I will give you the secret
to becoming transformed and new.
So do not lose heart.

Though your outer self is
wasting away, your inner self
is being renewed day by day.

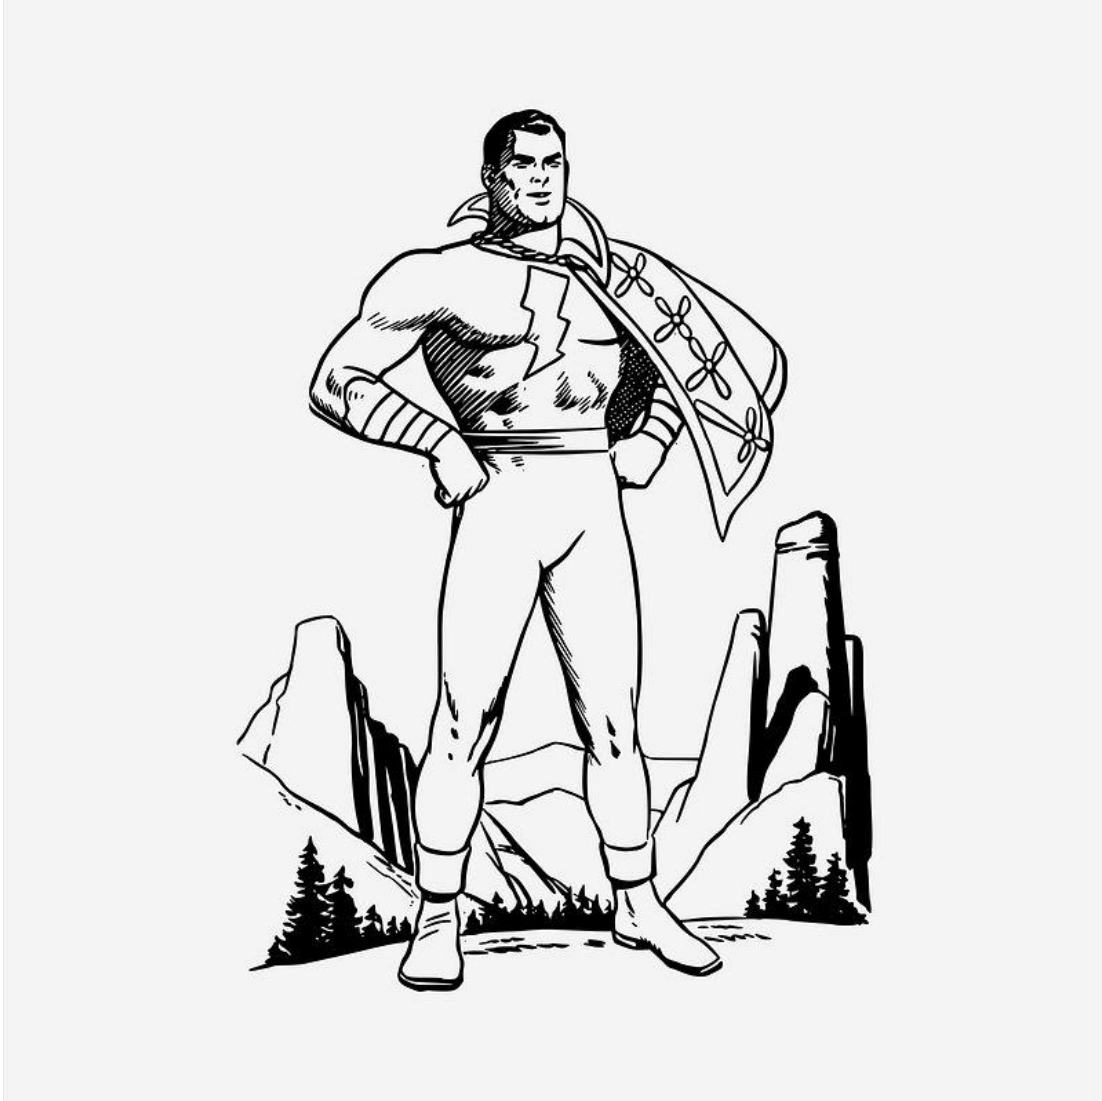

Why? Because God is our Healer.

God said to me,

**"My grace is
sufficient for you,
for My power is
made perfect in
weakness.**

Therefore, I will
rather boast about
my weaknesses, so
that the power of
Christ may dwell in
me."

2 Corinthians 12:9

My God will supply all my
needs, even healing.

Philippians 4:19

Today, if you need healing or even a friend
you may know, turn to God. He is our
Father, our Healer, and our Savior, and
discover what I have discovered, that my
God shall supply all my needs, even if it is
healing.
