

Dr. Chemo Superhero

*In Memory of Glenn Sellnow
who was the inspiration for Dr. Chemo Superhero*

Hospitals are a part of life
that no one likes.

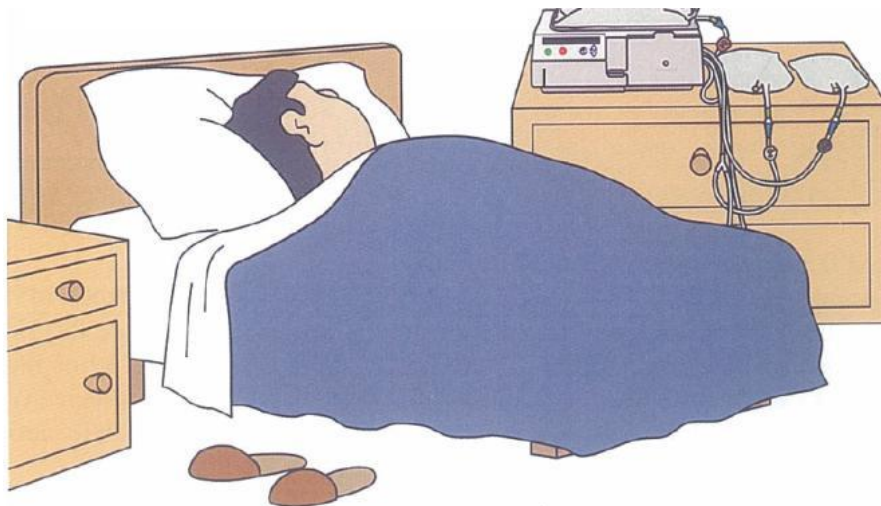

This is one bed that no one wants to sleep in.

This is one machine
you do not want to be a part of.

This is not what you may want to be doing.

And when you hear the words,
"You have cancer,"

you just want to cry.

But this is what Doctor Chemo Superhero has to
say, "Be strong and courageous, for God is with
you."

He will never leave you, for He tells us this,
"My grace is sufficient for you, for My power is
made perfect in weakness." No matter who you
are, know this, that God loves you, and He will
bring you through.

Father God, I pray that you hear the prayers of
those who are going through this time of cancer,
and heal each one of them.
In Your Son's name I ask, so be it!
